

## Radisson Shows Growth in Latin America with a New Hotel Opening in Curicó, Chile

MINNEAPOLIS (February 19, 2018) – [Radisson](#)<sup>®</sup>, one of the best-recognized hotel brands, today announced the opening of [Radisson Hotel Curicó](#). The new hotel features a modern design with exceptional amenities. Located in Curicó, the hotel is minutes from beautiful vineyards and the many attractions in the nearby commercial district.

“We are so proud of the continued growth of the Radisson brand across Latin America,” said Frances Gonzalez, vice president of Operations for Carlson Rezidor Hotel Group in Latin America. “This hotel’s beautiful look, fantastic location and commitment to our signature *Yes I Can!*<sup>SM</sup> service philosophy will make it a success.”

The hotel offers 90 guest rooms and spacious suites. Hotel guests have access to free Wi-Fi, a fitness center, business center and complimentary parking. There is also a scenic terrace on the eighth floor with an incredible view of Curicó.

Guests can enjoy a delicious meal without leaving the hotel. The onsite restaurant serves a complimentary breakfast, along with lunch and dinner. There is a bar and lounge which offers a variety of handcrafted cocktails, wine and beer. For a caffeine boost, guests can head to the hotel’s 24-hour coffee bar for gourmet coffee, tea and pastries. Since Curicó is known for its wine, the local award-winning winery and vineyard, Miguel Torres, opened a wine shop in the hotel lobby. Along with featuring Miguel Torres wine, the shop offers other varieties of wine from 12 local vineyards. There is also an onsite wine connoisseur who shares tips on must-visit wineries, along with coordinating winery tours for guests.

The hotel can serve as a venue for meetings, conferences and special events. There are two meeting rooms. Each room can accommodate 12 people. There is also a ballroom with a capacity of 250 people. Audiovisual equipment is available.

“We are thrilled to open our doors under the Radisson brand,” said Maria Ignacia Del Real, the hotel’s general manager. “Our focus on providing the best possible service and amenities in our stunning new hotel will make guests want to keep coming back.”

Guests can enhance their stay by downloading the [Radisson iConcierge app](#) which offers access to a wide variety of hotel services and local information before, during and after the stay such as ordering room service, receiving details of nearby attractions and checking out.
